TAX VOLUNTEERS NEEDED: Community Action Agency is seeking participants for its Volunteer Income Tax Assistance (VITA) program. The VITA program is sponsored by the IRS and provides free tax preparation to families and individuals whose 2011 household income was \$50,000 or less. Volunteers receive free, IRS training materials and instruction in January.

Local volunteers are needed to: greet and register clients, prepare returns and file for tax credits, perform office support tasks and translate for clients who do not speak English. Volunteers are needed during the day, evenings and weekends and schedule their service based on their availability.

For more information visit www.caajlh.org and click on "Volunteer" then "Income Tax Assistance" to view a three minute video. It will answer many questions and provide additional information about how to sign up to volunteer.

Community Action Agency has offices in Lenawee, Hillsdale and Jackson counties.
