Check “United Way Fund” on your Taxes!

February 19, 2012

When filing your 2011 state taxes be sure to ask about form 4642, which allows tax payers to donate all or part of their 2011 tax return to the United Way Fund. The United Way Fund has been created to help assist low to moderate income families in Michigan with basic needs such as food, clothing and shelter.

In Michigan’s current economy, the need for assistance has never been higher. Lenawee United Way appreciates your support and encourages you to take advantage of this simple, quick way to donate resources that will ease the burden so many Michigan families are currently facing. All donations made to the United Way Fund will be used to help support local families.

Donations made by taxpayers in the Lenawee area will benefit the needy families in this area. In 2011, Lenawee United Way provided Community Action Agency with more than \$1,200 to help local residents with utility assistance, thanks to those who contributed via the United Way Fund.

The United Way Fund is an easy way to Live United and to make a difference in your area. Please remember to “check off” for the United Way fund.
