### **Macey visits Litchfield Headstart**

The Litchfield District Library's fairy godmother, Edythe Macey, visited the Litchfield Headstart children and read to them — outside. The children usually visit the library on Wednesday mornings to listen to her stories and sing songs together.

Miss. Edythe uses puppets and keeps the kids in suspense wearing her costume and decorated crowns for special events. She will be also visiting other area elementary schools this month in Hillsdale County for March is Reading Month. COURTESY PHOTO
