Hillsdale, Mich. —

The students at Head Start, part of the Hillsdale Community Action Agency, attended their first prom on Friday. This was the first year the Head Start has hosted a “preschool prom” for the children and their families. Everyone was encouraged to dress up. The children performed for their parents and they danced together and enjoyed the snacks provided. “We’re family-focused,” said Anita Young, a teacher at Head Start. “Many (of the children) have older siblings they’ve seen go to prom. This is their prom...It’s an opportunity for the families to get together and have fun.”
