## **FREE Tax Preparation Help Available**

Is your household income \$51,000 or less? If so, you qualify for FREE assistance to prepare your income tax returns!

Community Action Agency, with the support of the 49 partners of the Tri-County Financial Stability Coalition (TCFSCS), provides free tax preparation to anyone whose annual household income is \$51,000 or less. All services are provided by trained and IRS certified volunteers. They will prepare and e-file your Federal, State and City (as needed) tax returns as well as the forms for tax credits for which you are eligible.

Many seniors think they do not have to file taxes. While this may be true for some, others are missing out on some credits for which they are eligible. Let our volunteers prepare your tax return for FREE and see if you are eligible for any credits.

To schedule an appointment, contact your local Community Action Agency at:

Hillsdale County 517-437-3346 or 1-800-750-9300
