

Where to get housing help

For people who cannot afford adequate housing, the three main agencies in Lenawee County to contact are:

- Housing Help of Lenawee, 264-0782
- Community Action Agency, 263-7861
- Habitat for Humanity. Housing, 265-6157

Another local resource for finding help with paying rent or utility bills is the 211 help line.

The U.S. Department of Housing and Urban Development also provides several different forms of assistance, including rent vouchers. Renters struggling with high rents can find counseling assistance from local social service and community organizations in each state listed on the HUD website at tinurl.com/mihousinghelp
