IN BRIEF

Habitat dedicating new home

The Greater Jackson Habitat for Humanity is hosting a dedication ceremony at 4 p.m. today for a new two-story home at 606 S. Mechanic St.

The home is a collaboration between Habitat for Humanity and Community Action Agency's YouthBuild U.S.A. program, which allows people ages 16 to 24 work toward their high school diploma or GED (General Education Diploma) while learning job skills and serving their community by building affordable housing.

The Rev. Jay Cummings, board president of Habitat for Humanity and pastor of St. John's United Church of Christ in Jackson, will officiate the ceremony.
